Beach Wire & Cable is a stocking distributor of products and equipment used in the Commercial, Industrial, Communication, Government, and OEM industries. At Beach Wire & Cable, our goal is to provide our customers with the best value and service. To do this we rely on our customer-focused attitude and constantly strive to:

- Maintain the highest levels of industry, product, and technical knowledge by continually training and learning about new products and manufacturers.
- Communicate promptly and effectively with our customers and suppliers by listening, understanding, and reacting to their needs.
- Take our customers' problems and provide them with solutions.
- Provide courteous and knowledgeable sales people along with delivering on each and every one of our promises.
- Always maintain honest, ethical, and professional work habits and practices.
- Enjoy what we do and where we work, and pass that enjoyment on to others.

KEYS TO SUCCESS

The key to our success is partnering with leading world-class manufacturers of products and equipment. Each of our vendor partners have been chosen based on their commitment to quality and customer satisfaction. As we continue to expand our relationships with manufacturers and vendors, we will maintain our commitment to excellence and strong partnerships.

CUSTOMER CARE

At Beach Wire & Cable we take pride in our customer care; in placing our customer preferences first, we want to carry the products you prefer in our stock. As we continue to expand our vendor relationships, we will continue to expand our standard stock items as well. If there is an item you are using, which we do not carry, let us know. We will work with our manufacturers to ensure that we have availability of the products in our warehouse.

LOW PRICES, STRONG RELATIONSHIPS

At Beach Wire & Cable we believe in value for your money, which is why we subscribe to the philosophy of everyday low pricing. We work to keep our overhead down and our vendor relationships strong so that in turn we can keep your prices as low as possible. As your distribution partner we will continuously strive in building a successful partnership with you.
